Overview

The Colorado SUN (Success UNlimited) initiative is a college transition program that moves GED graduates age 18-24 (and beyond) to college by reducing remediation and building confident, successful students.

College Transition Strategies

- *College Connection Skill Enhancement Programs* - Offer intensive college prep coursework
- *Navigators* - Provide on-going transition support, case management, and career exploration assistance
- *GED Curriculum Enhancement* - Address the academic alignment gap between GED and college-level coursework
- *Professional Development* - Develop capacity for implementation of transition strategies
- *Evaluation* - Measure student success and document instruction and management practices
