Tuesday, June 25 & Wednesday June 26, 2013

DoubleTree Hotel, Bloomington, IL

The application deadline for the [2013 Pathways to Results Institute](#) is quickly approaching! This one and a half day workshop will involve participants in the Pathways to Results (PTR) process, working in teams led by OCCRL professional staff and PTR team members to apply the process to a realistic scenario.

The Institute will provide leaders in high schools, community colleges, universities, EFEs, and businesses an intensive learning experience that is designed to improve [Programs of Study](#) and P-20 education in Illinois.

Special Workshop planned following the Institute

We encourage teams from Illinois high schools to attend—particularly the Race to the Top schools--as PTR can provide a process to assist you with developing and examining Programs of Study in your schools. **A special workshop will be held on June 26 from 1-3pm immediately following the Institute for all RttT district participants.**

Space is limited. Applications and nominations forms are available [here](#).

This event is hosted by the [Office of Community College Research and Leadership](#) and the Pathways Resource Center, and is funded by the [Illinois Community College Board](#) and the [Illinois State Board of Education](#)
