

Pathways to Results News

April 2014

Review & Reflection Webinar

On Thursday, April 10 from 10:00-11:00 a.m, OCCRL will host a webinar to review the goals and activities of the Review & Reflection process of Pathways to Results. This part of the PTR process helps individuals and PTR teams reflect upon and document what they have learned by doing PTR. It also helps teams assess the sustainability of solutions and identify PTR-related activities that can be extended to other programs and processes. We invite anyone currently involved PTR in or interested in learning more about it to join us! [Click to register.](#)

Process Improvement & Evaluation Webinar

There is still time to register for the [Process Improvement & Evaluation webinar](#) scheduled for Tuesday, April 8 at 2:00-3:00 p.m.

For those that cannot attend, a link to the webinars will be made available following each event.
