PTR Network

This academic year, OCCRL is working to build a PTR Network of all past and present PTR teams. We want teams to have the resources necessary to sustain PTR, so we are initiating a practitioner group to collaborate with and share lessons learned. A monthly conference call and webinar will be available for anyone interested in joining this group. The next conference call will be **Monday, February 10 at 2-3pm**. For more information contact Ann Jones at acjones3@illinois.edu.
