Pathways to Results
Review and Reflection Survey

1. This section asks for your level of agreement on the extent to which the solution that emerged from the PTR process will improve the Program of Study. Indicate Strongly Agree, Agree, Neither Agree or Disagree, Disagree, or Strongly Disagree. (Choose the best response.)

Strongly Agree   Agree   Neither Agree or Disagree   Disagree   Strongly Disagree

a. The PTR solution addresses an important problem with a Program of Study.
b. There is a strong commitment on our team to implement the PTR solution.
c. It is feasible to implement our team's PTR solution.
d. The PTR solution will enhance our accountability to our partners.
e. Leaders of our PTR team are committed to implementing the PTR solution.
f. The PTR solution will improve outcomes (e.g., transition, retention, completion) for different groups of students.

2. Continue by indicating the extent to which you agree with sustaining the PTR solution by choosing Strongly Agree, Agree, Neither Agree or Disagree, Disagree, or Strongly Disagree to the following items. (Choose the best response.)

Strongly Agree   Agree   Neither Agree or Disagree   Disagree   Strongly Disagree

a. We have adequate internal resources (e.g., funding, people) to sustain the PTR solution.
b. Members of our PTR team are committed to sustaining the PTR solution.
c. The PTR solution has a champion who is positioned to help sustain it in the future.

3. Continue by indicating the extent to which you agree that the PTR solution will be extended to other Programs of Study by choosing Strongly Agree, Agree, Neither Agree or Disagree, Disagree, or Strongly Disagree to the following items. (Choose the best response.)

Strongly Agree   Agree   Neither Agree or Disagree   Disagree   Strongly Disagree

a. The PTR solution has the potential to improve other Programs of Study.
b. Members of our PTR team have the skills and knowledge to continue using the PTR process with other Programs of Study.
c. Our team is committed to extending PTR to other Programs of Study.
d. We anticipate benefits of the PTR solution to extend to other processes, beyond those associated with our initial PTR solution.
e. We have adequate internal resources (e.g., funding, people) to extend the PTR process to other Programs of Study.

4. How confident are you that the PTR solution will be sustained? (Choose the best response.)
Completely Confident
Very Confident
Somewhat Confident
Slightly Confident
Not at all Confident
