## The TAACCCT Learning Network Issues Call for Presentation Proposals

We are pleased to share an important announcement from Jobs for the Future and the Department of Labor. The TAACCCT Learning Network has issued a call for proposals for the upcoming 2016 TAACCCT Convening. US Department of Labor and the TAACCCT Learning Network technical assistance providers will be hosting this TAACCCT convening in early 2016. Presentation proposals should either highlight innovations in a particular industry or one of the SGA core elements. **Strategies that emphasize scaling and sustainability are especially encouraged.** Presentation proposals are being accepted until December 4, 2015, read the [Call for Presentation Proposals](#) for more details. If you have any questions, about this call for proposals please contact [Erica Acevedo](#) at Jobs for the Future.
